## **CLOSURES UNDER FLAGGER CONTROL SCHEDULED ALONG ROUTE 10 (COLONIAL TRAIL) FOR PAVING**

*Daytime lane closures under flagger control begin as of May 2*

**SURRY COUNTY** - As of May 2, contractor crews with the Virginia Department of Transportation (VDOT) will implement daytime, single-lane closures under flagger control along portions of Route 10 (Colonial Trail East/West) in Surry County for milling and paving. The work will take place in three two-mile sections along Route 10, potentially causing travel delays for motorists in both directions over the next several weeks.

Traffic will be alternated in each direction during daytime lane closures under flagger control along Route 10 weekdays from 7 a.m. to 7 p.m. Motorists should pay attention to directions from uniformed flaggers within the work zone at all times.

### **Segments of Route 10 included in this work include:**

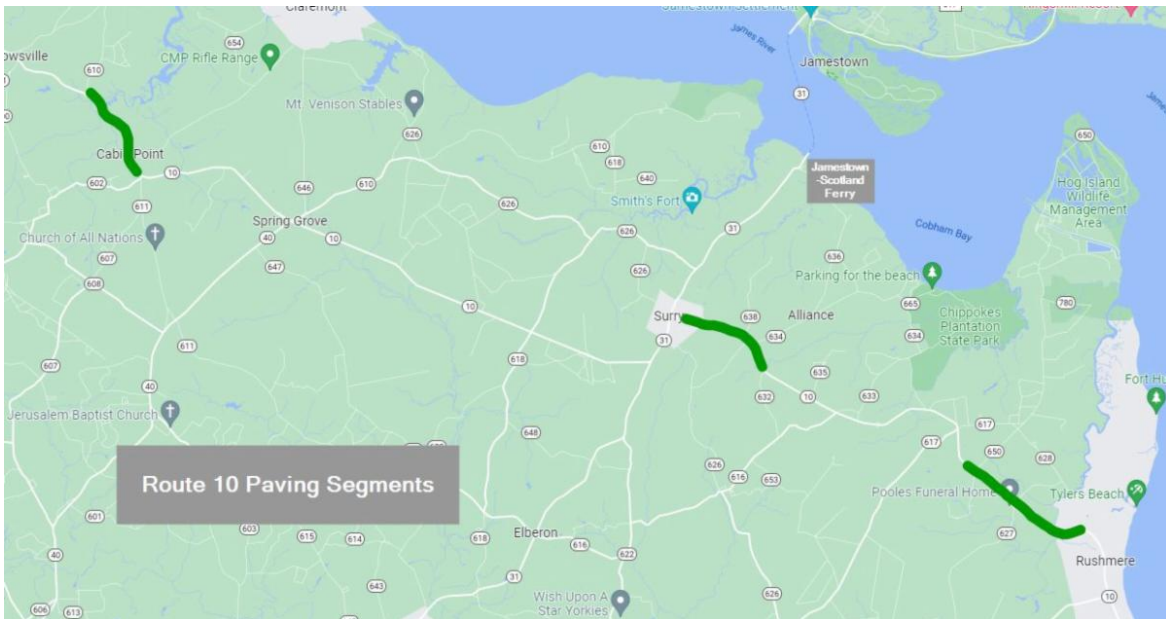

- Route 10 (Colonial Trail East) between Lawnes Creek and Route 650 (Hog Island Road) near Isle of Wight County
- Route 10 (Colonial Trail East) between Route 632 (Chapel Bottom Road) and Route 31 (Rolfe Highway) approaching Historic Surry and
- Route 10 (Colonial Trail West) between Route 611 (Salisbury Road) and east of Route 610 (Chippokes Road) near Prince George County.

Motorists traveling to the Jamestown-Scotland Ferry should plan extra travel time to avoid delays or missed ferry departures from the Scotland ferry boarding location. The spring ferry departure schedule can be found at <https://www.virginiadot.org/travel/ferry-jamestown.asp>. The summer departure schedule begins on May 28.

This work is weather-dependent, and the schedule is subject to change. Access to properties and businesses will be maintained at all times.

Motorists should use alternate routes during the daytime closures and are advised to plan their commute by using VDOT's free traffic information tools:

- [Download](#) the 511 smartphone app, or 511-integrated [Waze app](#).
- Visit the [511 Virginia](#) website or dial 511 for traffic information on your phone.
- Follow [@511hamptonroads](#) and [@VaDOTHR](#) on Twitter.
