ROUTE 614 ROADWORK TO BEGIN IN ISLE OF WIGHT COUNTY

Road closure and signed detours scheduled to start as early as Nov. 7

ISLE OF WIGHT COUNTY – Beginning as early as Nov. 7, the Virginia Department of Transportation (VDOT) will close a portion of Route 614 (Thomas Woods Trail) in Isle of Wight County near the Southampton County line. Contractor crews will be applying a spray liner to increase the structural integrity and life span of the existing culvert pipes.

The work will require a full road closure just north of the Route 614 crossing over the Blackwater River in Southampton County with detours in place. Access will be maintained to all existing private property and business entrances within this corridor.

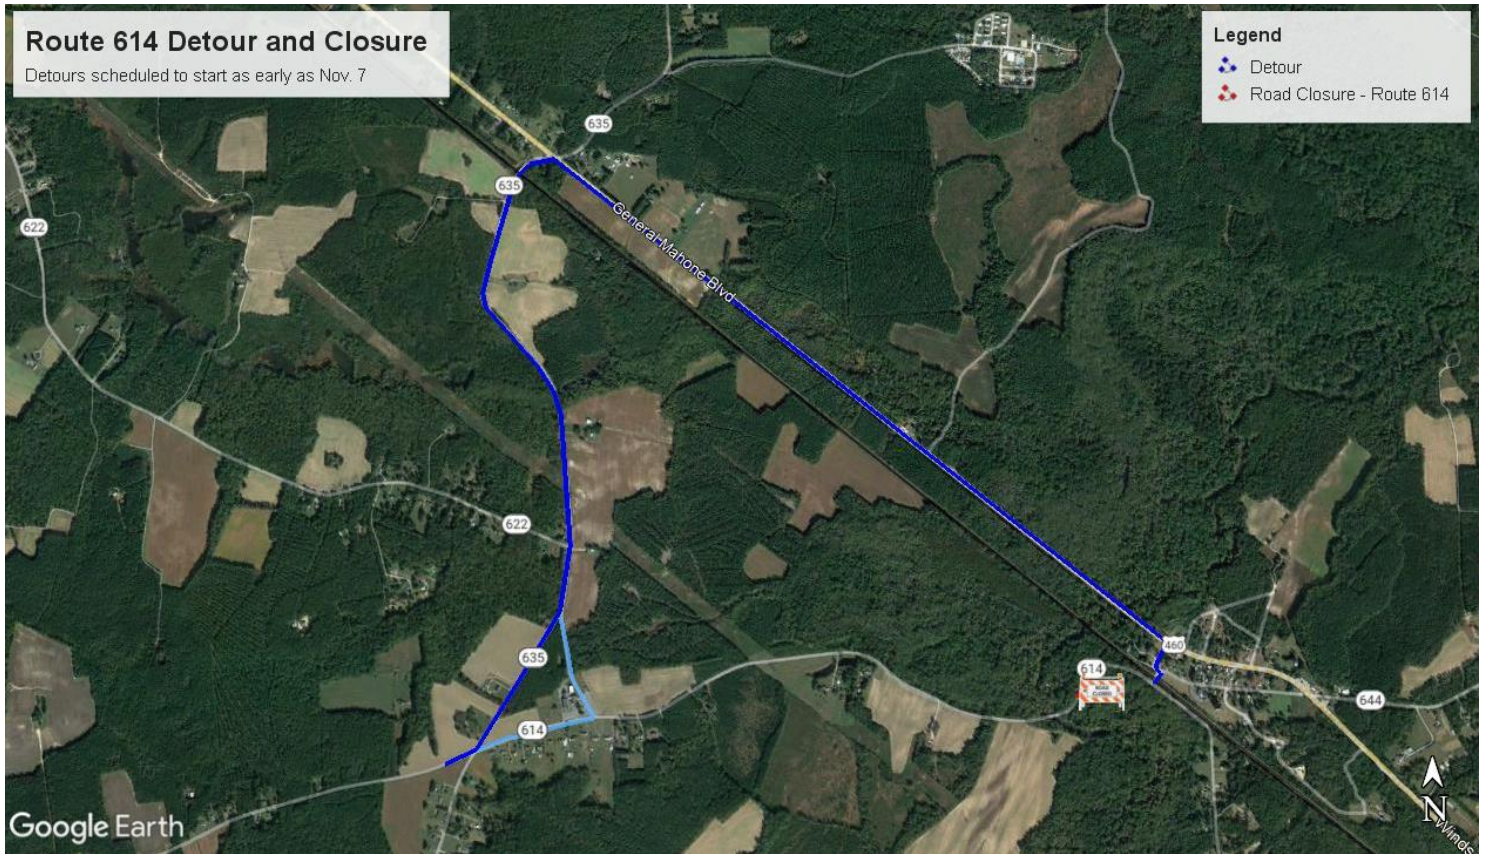

Motorists traveling north on Route 614 (Seacock Chapel Road) will detour by turning left onto Route 635 (Tucker Swamp Road) or left onto Route 622 (New Road), right onto Route 460 (General Mahone Boulevard/Windsor Boulevard), right onto Zuni Circle, right onto an access road and left onto Route 614 (Thomas Woods Trail).

Motorists traveling south on Route 614 (Thomas Woods Trail) will detour by turning right onto an access road, left onto Route 460 (Windsor Boulevard/General Mahone Boulevard), and left onto Route 635 (Tucker Swamp Road).

The closure is estimated to be in place approximately three to four weeks, weather and schedule permitting.

Motorists are advised to plan their commute by using VDOT's free traffic information tools:

- [Download](#) the 511 smartphone app or 511-integrated Waze app.
- Visit the [511 Virginia](#) website or dial 511 for traffic information on your phone.
- Follow [@511HamptonRoads](#) and [@VaDOTHr](#) on Twitter.

Portion of Route 614 (Thomas Woods Trail) in Isle of Wight County to close for roadwork.
