I-64 RAMP CLOSURES IN COVINGTON FOR UTILITY WORK
STARTING MARCH 21

STAUNTON – A series of interchange ramp closures are scheduled for eastbound Interstate 64 exit 14 in the city of Covington beginning this weekend. Brief road closures are also scheduled for South Durant Road in the area of the I-64 interchange. These closures are on Saturdays and Sundays from 7 a.m. to 2 p.m., March 21 to April 5, 2020. They allow crews to pull power lines over the affected roadways.

During those times, the eastbound I-64 on- and off-ramps at exit 14 will be closed. Detour routes will assist motorists who need to get to or from eastbound I-64. Closures on South Durant Road will be intermittent and are expected to last for up to 10 minutes at a time.

The utility work is weather dependent and the closure schedule is subject to change.
