

## **PUBLIC NOTICE**

### **Proposed Limited Access Control Changes I-95 Southbound at Exit 126, Route 1 and Southpoint Parkway Spotsylvania County**

#### **Willingness for Public Comment**

The Virginia Department of Transportation (VDOT) is accepting comments regarding proposed limited access control changes for a project to modify the Interstate 95 southbound off-ramp at Exit 126, Route 1 from the I-95 southbound off-ramp to Southpoint Parkway, and on Southpoint Parkway. This project will involve a change in limited access control.

This project will provide two right turn lanes on the Exit 126 off-ramp from I-95 southbound to Route 1 southbound, and two right turn lanes will be available for traffic on Route 1 southbound to turn onto Southpoint Parkway. Southpoint Parkway will also be widened to the existing turn lane at the Longhorn Steakhouse. This will reduce congestion on I-95 southbound and Route 1.

Information related to the project and the limited access control changes is available for review at VDOT's Fredericksburg District Office located at 87 Deacon Road, Fredericksburg, VA 22405. **Please call ahead at 540-899-4288 or TTY/TDD 711 to make arrangements for personnel to share more information or answer your questions.**
