

Route 1 Corridor Study
Spotsylvania County
Virtual Citizen Information Meeting

Monday, June 7, 2021, 6 p.m.
<http://www.virginiadot.org/Route1Spotsylvania>

See draft recommendations from a planning study of the Route 1 corridor in Spotsylvania County between Commonwealth Drive and the Caroline County line.

The Virginia Department of Transportation (VDOT), in partnership with Spotsylvania County and the Fredericksburg Area Metropolitan Planning Organization (FAMPO), are studying potential options to reduce congestion and improve safety on this segment of Route 1.

Review the study's draft recommendations and meeting information at the project website:
<http://www.virginiadot.org/Route1Spotsylvania>

The study recommendations will not set construction dates, and are intended to help develop potential improvements that localities can pursue for future funding.

The meeting will be held as a **virtual/online** event. VDOT representatives will make a presentation beginning at 6 p.m. and will be present to answer questions after the presentation is complete. The presentation will be available for review throughout the comment period.

Give your comments during or after the virtual presentation, online at the project website, by email, or mail to Ms. Linda LaSut, Project Manager, Virginia Department of Transportation, 87 Deacon Road, Fredericksburg, VA 22405. Comments may be emailed to fred.comments@VDOT.Virginia.gov. Please reference "Route 1 Corridor Study Comment" in the subject line. All comments must be received by **June 17, 2021**.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information, or special assistance for persons with disabilities or limited English proficiency, please contact project manager Linda LaSut at (540) 899-4260 or TTY/TDD 711.

In case of technical or other issues preventing the meeting presentation on the scheduled date, the meeting will be held Monday, June 14 at the same time.
