Public Information Meeting
Braddock Road Multimodal Improvements
Fairfax County
Wednesday, July 26, 2023
6:30 p.m. to 9 p.m.
Lake Braddock Secondary School
9200 Burke Lake Road, Burke, VA 22015

Welcome to the Virginia Department of Transportation’s (VDOT) public information meeting on proposed improvements along Braddock Road (Route 620) and Ravensworth Road. We look forward to your active participation.

This public information meeting is being held to provide an opportunity for citizens and organizations to give VDOT comments and/or suggestions on the proposed project.

VDOT strives to ensure that all members of the community have the opportunity to participate in public decisions on transportation projects and programs affecting them.

VDOT representatives are present to discuss the project and answer your questions. A comment sheet is included in this brochure and your input is encouraged. All written comments received on this project will be reviewed by the design team.

Project Overview

Purpose:
Relieve congestion, improve transit reliability, and improve safety, especially with regard to expected future conditions.

Project Length:
Three miles of Braddock Road between Humphries Drive and Ravensworth Road and a half-mile of Ravensworth Road between Braddock Road and Heritage Drive.

Improvements:

Shared-use paths (for bicyclists and pedestrians) on both sides of Braddock Road, extended shared-use path along west side of Ravensworth Rd to Heritage Dr, enhanced transit accessibility, access management improvements, and intersection improvements at critical locations shown on the map above.

Get Involved

VDOT representatives will review and evaluate information received as a result of this meeting. Please fill out the comment sheet provided in this brochure if you have any comments or questions. You may leave the sheet or any other written comments in the comment box, or mail/email your comments.

Comments must be postmarked, emailed, or delivered to VDOT by August 7, 2023.

Mail comments to Mr. Calvin Britt, P.E., at the address below or email meetingcomments@vdot.virginia.gov. Please include “Braddock Road Multimodal Improvements” in the subject line.

Project information shared at this meeting will be available online at www.virginiadot.org/BraddockMultimodal and at VDOT’s Northern Virginia Office.

**Project Description**

The primary purpose of this project is to design access management, operational improvements, and multimodal improvements within the corridor, based on 2018 Task Force recommendations from the Braddock Road Multimodal Study (dated May 2018 by Fairfax County DOT).

In addition to the improvements shown in the graphics below, the project includes additional improvements at three critical intersections:
- Braddock Road & Rolling Road
- Braddock Road & Burke Lake Road
- Braddock Road & Wakefield Chapel Road/Danbury Forest Drive

This project will be implemented as part of a phased approach based on funding availability.
- Phase 1: Braddock Road from Southampton Drive to Ravensworth Road; Ravensworth Road from Braddock Road to Heritage Drive
- Phase 2: Braddock Road between Humphries Drive and Southampton Drive

Tonight’s meeting is being held to share project information and updates and obtain feedback from the community members about the project.

**Estimated Project Cost**

Estimated project costs will continue to be developed as the proposed improvements and preliminary design are refined.

The project is funded from Humphries Drive to Ravensworth Road through Design Approval, approx. 40% design.
- Phase 1 is fully funded through Construction (~$74M approved in SmartScale)
- Phase 2 is not funded beyond Design Approval

The project is financed with federal, state (including Smart Scale) and local funding.

**Anticipated Schedule**

Public Information Meeting
July 26, 2023

Comment Period Ends
August 7, 2023

Design Public Hearing
Fall 2023

Design Approval
Late Fall 2023

Phase 1: Braddock Rd from Southampton Dr to Ravensworth Rd; Ravensworth Rd from Braddock Rd to Heritage Dr:
- Begin Right-of-way Acquisition/Utility Relocation: Spring 2025
- Begin Construction: Fall 2028

Phase 2: Braddock Rd between Humphries Dr and Southampton Dr:
- To be determined as additional funding becomes available

**Civil Rights**

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information or special assistance for persons with disabilities or limited English proficiency, contact VDOT’s Civil Rights Division at 703-259-1775 or TTY/TDD 711.

**Right of Way**

Preliminary right-of-way impacts presented on the displays are conceptual in nature and may change as the design is refined. The property owners will be informed of the exact location of the easements during the right-of-way acquisition process and prior to construction.

Information about right-of-way purchase is discussed in VDOT’s brochure, “Right-of-Way and Utilities: Guide for Property Owners and Tenants.” Copies of this brochure are available here from VDOT during project design development. When approved by FHWA for public availability, the NEPA document will be available for review and comment at the public hearing.
