

THANKSGIVING 2021

VDOT will lift most lane closures for holiday travel from noon Wednesday, Nov. 24, until noon Monday, Nov. 29. However, motorists may encounter semi-permanent work zones or travel delays in the following locations:

Albemarle County

U.S. 250 (Richmond Road) at I-64 – Construction of diverging diamond interchange. Speed limit reduced to 25 mph and lanes shifted through the project.

U.S. 250 (Rockfish Gap Turnpike) at Route 151 (Critzler Shop Road) – Constructing a roundabout at the intersection. Speed limit reduced to 25 mph. Be alert for signs directing vehicles through the work zone.

Amelia County

Route 360/Patrick Henry Highway – Bridge replacement project over Route 360 Business. Eastbound traffic has shifted onto the new westbound bridge in the outside lane to allow for construction of the new eastbound bridge.

Amherst County

Route 681 – Bridge rehabilitation over Williams Run. Reduced to one lane with temporary traffic signals.

Bedford County

Route 460 – Realignment of eastbound lanes near Montvale underway. Eastbound and westbound lanes reduced to one lane. Speed limit reduced to 45 mph. Traffic shift in place with eastbound lanes using westbound lane with barrier in between. Wilkerson Mill Road access is closed at Route 460 with detour in place.

Botetourt County

Route 220 – Making safety improvements between Eagle Rock and Iron Gate. Lane and shoulder closures with flaggers at several locations on 9-mile project. Delays are possible. Width restriction of 11 feet. Speed limit reduced to 35 mph or 45 mph in work zones.

City of Chesapeake

I-64 – Widening interstate between I-264/Bowers Hill and Battlefield Boulevard. Speed limit reduced to 55 mph in both directions through the work zone.

Chesterfield County

Route 10/I-95 Interchange – Locally-administered interchange improvements project. The ramp from W. Hundred Road (Route 10) west to I-95 north is restricted to a width of 12 feet. The I-95 north shoulder is closed between mile markers 60.8 and 62 (Route 288). There will also be an eastbound Route 10 shoulder closure in place, east of the I-95 ramp Route 10 east.

Route 10/W. Hundred Road – Road widening between Bermuda Triangle Road and Rivers Bend Boulevard in both directions. The speed limit in the work zone is reduced to 45 mph. Two lanes are maintained.

Route 10/Ironbridge Road – Road widening from Frith Lane to west of Whitepine Road. A right turn lane closure will be in place from Route 10 west to Frith Lane.

Route 360/Hull Street Road – Road widening from Lonas Parkway to Castle Rock Road. The eastbound right shoulder closure will remain in place within the project limits.

Farmville

Route 360 - Bridge over Grade Crossing on Route 360 eastbound will be reduced to one 15' wide lane.

Fauquier County

U.S. 17 (Marsh Road) - Replacing southbound bridge over the railroad and Route 805 (Bealeton Road). One southbound lane closed. Lane closure will remain in place for the majority of the project.

Frederick County

Route 522 – Replacing southbound bridge over Opequon Creek. Single-lane traffic in each direction using northbound bridge. Work zone speed limit 45 mph.

Halifax County

Route 501 – Constructing passing lane near Route 610. Route 610 connections closed. 35 mph speed limit. One-way detour in place.

Hanover County

Route 30/Kings Dominion Boulevard - Bridge rehabilitation project over North Anna River. The westbound right lane is closed through project limits.

James City County

Route 612 (Longhill Road) – Widening Longhill Road from east of Williamsburg West Drive to Glenburnie Road. Speed limit reduced to 35 mph in both directions through the work zone.

Montgomery County

I-81 – Replacing northbound and southbound bridges over Route 8 at exit 114. Shoulders closed with median barriers in place from mile marker 113 to 114. Speed limit reduced to 60 mph in work zone. Closure of exit 114 ramps possible. A temporary traffic signal directs traffic on Route 8.

Nelson County

Route 6 – Bridge construction. One-way detour in place.

City of Newport News

Route 173 (Denbigh Boulevard) over I-64 – Bridge replacement. Bridge traffic on Denbigh Boulevard reduced to one lane in each direction. Access to Denbigh Boulevard from Richneck Road closed. Shoulders closed with concrete barriers in place on I-64 in both directions at the Denbigh Boulevard overpass. Long-term lane shift in place on I-64 west at the Denbigh Boulevard overpass with concrete barriers in place.

City of Norfolk/City of Hampton

HRBT Expansion Project (I-64 east and west from Settlers Landing Road to I-564) – Roadway widening. All travel lanes open. Concrete barriers in place along the shoulder throughout the work zone.

- W. Evans Street from Executive Drive to Granby Street closed in both directions to allow crews to work to widen the I-64 overpass. A detour will be in place.
- Mallory Street Bridge over I-64 – The lane capacity has been reduced to one lane in each direction. The lane reduction will allow crews to work to widen the bridge.

Page County

Route 211 – Replacing westbound bridge over Shenandoah River South Fork. Single-lane traffic in each direction using eastbound bridge. Work zone speed limit 45 mph.

Pulaski County/Montgomery County

I-81 – Replacing northbound bridge over the New River at the Pulaski/Montgomery County line. Lane and shoulder closures in place between mile markers 103 and 105. Speed limit reduced to 60 mph in work zone. Width restriction is 11 feet.

City of Richmond

Maury Street and 4th Street - Two segments of 4th Street are closed for roundabout construction at the I-95 interchange at Maury Street. 4th Street is closed between Everett Street and Maury Street. Detours are in place for traffic entering the project on Maury Street from the east to access I-95 or 4th Street. A separate truck detour is in place.

Roanoke County

I-81 – Widening lanes northbound and southbound between exits 141 to 143. Barrier walls in place. Drivers may experience delays.

Roanoke City

13th Street – Safety improvements on a portion of 13th Street SE in Roanoke. Southbound 13th Street traffic detoured using Norfolk Avenue onto 12th Street to Tazewell Avenue. Northbound 13th Street open to traffic. Flaggers possible. Speed limit is 25 mph.

Smyth County

I-81 – Replacing bridges near mile marker 52 in the Atkins area. Traffic is shifted with no shoulders. Speed limit is reduced to 60 mph in work zone.

I-81 – Extending the northbound acceleration lane near Exit 47 in Marion area. North and southbound shoulder narrowing or closures possible.

Southampton County

Route 189 – Bridge replacement. Route 189 is closed in both directions between Route 58 and Route 714 with a signed detour in place.

Stafford County/Spotsylvania County/City of Fredericksburg

I-95 – Construction work zone for multiple Improve95 projects between exits 148 (Quantico) and 126 (Spotsylvania). Shoulder closures along I-95 northbound and southbound in place at various locations.

City of Virginia Beach

Laskin Road – Road reconstruction and bridge replacement. Portion of Fremac Drive closed to traffic. Signed detour in place

Washington County

I-81 – Extending the deceleration lane near exit 19 in Abingdon. Be alert to narrowed shoulders.

Wythe County

I-81 – Extending deceleration lanes near exit 67 northbound and near exit 84 southbound. Be alert to shoulder closures at these locations.

I-77 – Replacing the Cove Creek bridges. Expect an altered traffic pattern on I-77 north and southbound between mile markers 44 and 42.

York County

I-64 – Widening interstate from Route 199/Humelsine Parkway (exit 242) to Route 199/Lightfoot (exit 234). Speed limit reduced to 55 mph westbound through the work zone.
